DEPOSIT CERTIFICATES.

Real Estate for Double the Amount.

BEARS 6 PER CENT. INTEREST PAYABLE QUARTERLY; PRINCIPAL WITHDRAWABLE WITH 30 DAYS' NOTICE.

It has been determined by the Managers of Prohibition Park to make a special effort to sell the remaining 275 lots in the Park. In order to give immediate deeds, it is necessary to cancel all mortgages that remain on portions of the unsold sections. There is also much remaining to be done in beautifying and improving this property. It has therefore been decided to accept loans for a limited amount of money in any sums, for which 6 per cent. interest-bearing deposit certificates will be issued in denominations of \$10 each; interest will be payable quarterly. The principal will be payable at any time on thirty days' notice. The deposit certificates are secured by deeds of unencumbered real estate, to double the amount of the certificates, deposited with I. K. Funk, President of the Funk & Wagnalls Company, as collateral. Address

## THE LITERARY DIGEST.

# Two Literary Masterpieces

EXCLUSIVE AND LIMITED OFFER  
TO "LITERARY DIGEST" READERS

The two choice sets which are offered below on such easy terms are essential to every well chosen library. Their intrinsic literary merit and their lasting value require no explanation to LITERARY DIGEST readers. What we wish to particularly emphasize is the beauty and durability of the book-making, and the specially low price and easy plan by which a few of our readers who act quickly are enabled to own and enjoy these literary masterpieces.

**WE HAVE ONLY 26 SETS LEFT**

**Special Price**  
**\$6.00**

The publishing house from which we secured these splendid sets was in the hands of a receiver, and the courts required that its affairs must be wound up quickly. We were thus enabled to obtain at less than cost of manufacture all the remaining sets (only 26 now left) of this great work, and consequently can offer them to LITERARY DIGEST readers on the easy payment plan at a very special price. The entire set of ten volumes will be delivered immediately on the payment of the first \$2.

**ONLY**  
**\$2 DOWN**

**\$1.00 Per Month. Satisfaction Guaranteed**

## Complete Carlyle Library

The complete works of Thomas Carlyle, in ten handsome volumes (7½ x 5½ inches in size) in a box, well printed in large clear type on fine book paper, bound in silk garnet cloth, with attractive design in gold stamped on the backs. A durable and thoroughly satisfactory and attractive library set. For cut showing library, see THE LITERARY DIGEST for October 15.

**Extraordinary Offer to "Literary Digest" Readers**

WE have only 26 sets left. While they last we will supply orders from LITERARY DIGEST readers at the special price of **only \$6** for the entire set payable \$2 down and \$1 per month. Library securely packed and delivered f. o. b. in New York. Use the coupon below.

**Size, 16x23 inches  
Weight, 20 Pounds**

This superb work is a monument of artistic excellence, scientific exactness, and latest thorough research. It is the most comprehensive, accurate, and elegant Atlas in existence. Truly it is a necessity in every home and office. Beauty of workmanship, unrivaled accuracy, and great wealth of detail are the conspicuous characteristics of the **200 Pages of Superb Maps** in this Atlas. They are drawn from the latest surveys, and the statistics are up to date and authoritative. The maps are exquisite examples of the highest class engraving and printing, and no effort has been spared in contributing toward the elegance, richness, and beauty of their workmanship.

### COMPLETEST AND MOST PRACTICAL.

"This entrancing publication is the completest historical and practical Atlas ever devised."—*Review of Reviews*.

### A BIRD'S-EYE VIEW OF ALL NATIONS.

"We may safely assert that the most complete book in the world, is a perfect Atlas. 'Rand-McNally & Co.'s Indexed Atlas of the World' touches the highest water-mark ever reached in this direction. It is at once historical, descriptive, and statistical,

### A GEOGRAPHICAL ENCYCLOPEDIA.

It is a complete geographical encyclopedia of the world, containing over 300,000 words of description, and 63 large colored comparative statistical tables, showing at a glance all matters pertaining to the statistics of all countries, concerning areas, population, agriculture, mineral products, education, health, transportation, commerce, and finance. Every City, Town, Island, Mountain, River, or Lake, can be found as readily as can a word in the dictionary by means of the complete index.
